Special Thanks

First and foremost, I would like to thank my wonderful teacher Ms. Katie. Thank you for everything that you have done for me; for teaching me, being patient with me, and being a kind and supportive teacher, always. Without your guidance I would not be here where I am today, and for that and the experiences shared together I will forever be grateful.

I would also like to thank my beautiful mother, Marine Ter-Kazaryan, for being my biggest inspiration and supporter throughout piano, and life. Thank you for always guiding me, being there for me, and being my rock to stand on.

Also to my dear grandmother for always patiently practicing with me and helping me whenever I needed it, and my father for driving me to my lessons and supporting me.

The journey that I have had at the Pasadena Conservatory of Music will be something that I will cherish and forever be grateful for. My time here has been filled with nothing but happiness, support, kindness, and love, and has impacted my life for the better. Although I am sad to be leaving, PCM will always have a place in my heart.
