Shelby Sartor

Shelby will graduate from Flintridge Sacred Heart Academy in June and has been playing violin since age five. Her journey with the violin has been nothing short of adventurous. She has participated in many different ensembles over the years including Verdugo Young Musicians Association, The Chamber program at PCM, and The Pasadena Youth Symphony. With the symphony, she was able to play in Carnegie Hall the summer following her freshman year and this past summer they toured Italy, a very enjoyable and once-in-a-lifetime experience. Starting with Twinkle, Twinkle Little Star, to the songs she is performing today, Shelby has loved having the violin as a form of expression and loves adding her flair to all that she plays. She hopes you can see that today and cannot wait to share this moment with you all. Thank you.

Special Thanks

I would like to thank Erika Walzcak, Carrie Kennedy, and Amy Herrick, the teachers who have been such pivotal figures throughout my time playing violin. A special thanks to Erika for her encouragement and support in preparing me for this evening. My gratitude for her cannot be described in words. A very important and much needed thank you to my parents, for their unwavering support throughout every step of the way. Thank you to everyone who was able to be here in support tonight.
